

<sup>1</sup>8K: 7,680 x 4,320 pixels. 4K: 3,840 x 2,160 pixels. Requires HDR compatible content from supported streaming services or HDR compatible content device connected via HDMI input (sold sep). <sup>2</sup>Compared to a conventional LED TV. <sup>3</sup>User must connect to a Google account to use certain advertised features, including voice to activate linked apps, install software, certain apps and operating software during setup. User may opt out and use basic TV operation that does not include certain advertised features such as Google and third party apps. Wireless connectivity requires 802.11 home network (802.11n recommended). Network services, content, operating system and software of this product may be subject to separate or third-party terms and conditions and changed, interrupted or discontinued at any time and may require fees, registration and credit card information. Apps must be compatible with TV. App availability varies by region and device. Upon opt in, Google Terms of Service (<http://www.google.com/policies/terms/>) and Privacy Policy (<http://www.google.com/policies/privacy/>) apply to use of this TV. <sup>4</sup>Select Android TVs are compatible with Amazon Alexa (product sold separately). <sup>5</sup>This Sony TV is compatible with AirPlay 2 and HomeKit. iOS 12.2 or later or macOS 10.14.4 or later is required. Apple ID account required. Subscriptions may be required to access certain content.
