

HT-ST5000

7.1.2ch 800W Dolby Atmos® Sound Bar

Feel the sound come alive all around you with our flagship sound bar featuring Dolby Atmos® 3D surround sound with 7.1.2 channels. Maintain quality from source to screen with the latest 4K HDR support, plus HDCP 2.2¹. Enjoy the rich detail of Hi-Res Audio and a whole-home solution with Google Home compatibility and multiroom listening.^{2.6} All in a sleek, stylish design that looks great in any room. Consider the sound bar raised.

Bullets

- Experience Dolby Atmos® in a 7.1.2ch, 800W⁷ soundbar
- Maintain quality from source to screen with 4K HDR support and HDCP 2.2¹
- Enjoy the rich, detail of Hi-Res Audio in a stylish design
- Google Home compatibility and wireless multi-

room listening^{2,6}

- Receiver-like connectivity with 3 HDMI inputs, HDMI ARC and more
- Enjoy high-quality streaming via Bluetooth®3
- Chromecast built-in⁴
- Listen to your favorites with Spotify Connect⁵

Features

Experience Dolby Atmos® in a sound bar

Feel like you're inside the action as the sounds of people, music and objects move all around you in three-dimensional space.

Maintain 4K quality from source to screen¹

Maintain quality from source to screen with a 4K HDR signal pass-through that delivers exceptional detail, color and contrast. It's also compatible with HDCP 2.2 copy protection, so you're ready for the latest 4K formats.¹

Enjoy rich, Hi-Res Audio in a stylish design

Enjoy the rich detail and studio-quality sound of Hi-Res Audio through advanced speakers and super tweeters—all in a stylish design.

Google Home compatibility and wireless multi-room listening 2,6

Connect with your Google Home control network and enjoy voice activation as a part of a whole-home solution. Control what music you want—and where—by the sound of your voice. Even turn up the volume, skip to the next track, or stop the music, all without lifting a finger.⁶ With powerful multi-room capability, you can easily expand and control your music across multiple, compatible speakers in separate rooms.²

Receiver-like connectivity

It's like a receiver in a sound bar. With three HDMI inputs, one HDMI ARC output, a USB input, as well as digital optical and analog connections, there's space for all your equipment.

Connect and stream music easily³

Connect and stream all your favorite tracks and playlists via Bluetooth® with NFC.³

Chromecast built-in

Cast music, podcasts and radio from 100+ audio apps, including Google Play™ Music and more from your smartphone, tablet or laptop to your audio device. Just tap the Cast button.^₄

Listen to your favorites with Spotify Connect⁵

Play Spotify using the Spotify app as a remote.³ Even jump right back into the last track you were listening to on your Spotify account by pushing the Music Service button.

1. Requires HDMI cable and High Resolution media with capable source device.

2. Requires download of SongPal app for iPhone from the App Store or for Android from Google Play. User must link compatible devices in order to control operation. Subject to app terms and conditions.

3. Interoperability and compatibility among Bluetooth*devices vary.

4. Subscriptions may be required to access certain content. Certain features, services and applications may not be available in all areas. Google Cast is compatible with Wi-Fi-enabled Android 2.3+ smartphones and tablets; iOS 7.0+ iPhone, iPad, and iPod; Chrome for Mac* and Chrome for Windows* and ChromeOS.

5. Depending on country or region, music services and their period of availability may differ.

6. Google Home product (sold separately) compatible with select Sony sound bars. Requires compatible devices connected to the same wireless home network. Download the Google home app from the iPhone App Store or Google Play. Subject to third party app terms and conditions. User must link compatible devices in order to control operation. Once download is complete, the Google Home feature may be connected to the Sony device to access the voice control function.

7. L/R 50W x 2 at 6 ohms 1kHz, Center Block 50 W x 5 at 6 ohms 1 kHz, top Block 50 W x 2 at 6 ohms 1 kHz, L/R Tweeter 50 W x 2 at 6 ohms 10 kHz, Center Tweeter 50 W at 6 ohms 10 kHz, SW 200 W at 2 ohms 100 Hz; per channel driven
